### STELIA Aerospace unveils latest innovations at Aircraft Interiors Expo 2024

Renowned globally as a leader in cabin interiors, ranking among the world's Top 3 in Premium passenger seats, STELIA Aerospace is looking forward to exhibiting at AIX 2024.

Come and visit our stand (7A30 hall B7) to discover the latest innovations in our luxurious and bespoke premium Passenger seats!

Building on its success and strong growth, linked to the recent renewal of its product lineup, STELIA Aerospace presents and establishes new standards for comfort, luxury and innovation in aircraft interiors.

Be among the first to witness the unveiling of a sustainable, ground-breaking version of the successful OPERA® family! STELIA Aerospace offers a brand new, long-haul business class seat with a sustainable design, demonstrating its commitment to environment without compromising on the highest level of comfort and luxury.

Featuring its signature herringbone design and unmatched comfort, the OPERA® family is available on Airbus and Boeing platforms, from single-aisle to widebody, short-haul to long-haul, ensuring passengers a lavish experience regardless of the aircraft type.

*"We are thrilled to showcase our latest innovations and advancements at Aircraft Interiors Expo 2024," says Thierry Kanengieser, VP Cabin Interiors at STELIA Aerospace. "STELIA offers a diverse range of solutions, addressing the industry challenges while redefining the future of travel with exceptional comfort, sustainability and reliability."*

Visit STELIA Aerospace's booth at AIX 2024 to discover how STELIA shapes the future of aircraft interiors, combining innovation, luxury and eco-efficiency.

About STELIA Aerospace:
